

## *Episcopal Diocese of Atlanta*

### **Safeguarding God's People:**

### **Online Modules via Praesidium Academy**

#### **FIRST TIME TRAINEES:**

If you are taking your Safeguarding God's People training via a Zoom session, and this is your **first time completing the training**, you are required to take an additional online module via Praesidium Academy:

[Safe Church, Safe Communities: Pastoral Relationships](#)

The module will take approximately 40 minutes to complete. Clicking on the module title listed above will open the module. Please note that you have to be logged into Praesidium Academy to view the module.

To log into the Praesidium Academy, go to <https://www.praesidiumacademy.com/> and log in with your email and password. **You should have received an email "invite" from Praesidium Academy to register and access the online modules.** Please check your spam folder if you do not see it in your inbox. Contact us if you do not have this invite email or are unable to access your account.

After successfully logging in to Praesidium Academy, you will see a welcome message from The Right Rev. Robert C. Wright Bishop of Atlanta.

All Safe Church modules are listed alphabetically in the Learner Dashboard. Scroll down to find the listing for each module. You may also browse for a module by typing in the keyword/title in the search bar located above the module listings.

#### **RENEWING TRAINEES:**

If you are renewing your training of Safeguarding God's People via a Zoom session, no online modules are required to complete training.

If you have questions about the Safeguarding God's People Training or Praesidium Academy, please email [safeguardingatl@gmail.com](mailto:safeguardingatl@gmail.com).
